## *'The Play is the thing' but Music reigns supreme!*

Each day our artist campers will sing, create visuals, move and act. We will begin and end the day together to create a bond of cooperation and collaboration to create something special.

First is large group where we gather, sing through the songs of the play. Then break into 4 groups. Each group will rotate through 4 sections of creative work to help present the play.

***Music**— where each camper receives a part*

***Art**—to create the backdrop, the props, costumes and any other visuals,*

***Theatre**—play games, read through and act out parts*

***Movement**—Dancing to enhance the musical numbers*

Participants will experience languages & arts activities in the morning, a lunch and play time from 11:30-12:30 and 2 other creative arts sessions in the afternoon. Every moment leads to the play to be presented in the last hour of the camp. We can't wait to see you and your creative child genius! Here's to a great summer!!
